

# Sale of a German bending and cutting business for concrete reinforcement steel from Commercial Metals Corporation to Stahlpartner Sülzle Group

August 2012

On August 30<sup>th</sup> 2012 Commercial Metals Deutschland GmbH (Kürten) sold their bending and cutting business for concrete reinforcement steel in Roßlau, Germany to Stahlpartner Sülzle Group (Rosenfeld, Germany).

The business in Roßlau on the Elbe, founded in 1996, was taken over by Commercial Metals Deutschland GmbH in January 2007. The business generates annual sales of approx. 40m with trading and processing of reinforcing bars to fabricated mesh, fabricated cages as well as rebar cages for bore piles.

Stahlpartner Sülzle Group, with its 10 production locations in Germany and its specific industry know how, is a suitable strategic successor for the business in Roßlau. With this acquisition the group increases its geographical presence in Germany.

The transaction was organized and led on behalf of Commercial Metals Deutschland GmbH by **InterFinanz** GmbH.
