

New shareholder for JAKO AG

22 September 2010

InterFinanz advised JAKO AG on taking on Mr. Gerhard Sturm as a new shareholder through his family-owned investment company.

With JAKO AG, internationally recognized entrepreneurial personality Mr. Gerhard Sturm won an excellent opportunity for a private investment in a fast-growing company operating in the same geographic area as his company ebm-papst.

The same roots in Muldingen as well as the great passion for soccer are the features in common of Mr. Rudi Sprügel (JAKO) and Mr. Gerhard Sturm, providing a confiding basis for the ambitious goals. Hence, the position of the JAKO brand shall be considerably strengthened in the future while the international business focus as well as the shop-in-shop concept shall be further developed.

JAKO employs a staff of 150 and generated sales of € 63 million in 2009.
