

# Lighting systems manufacturer Fagerhult buys LED Linear GmbH in Germany

March 15th, 2016

The Fagerhult Group, located in Habo, Sweden, has acquired 100% of the shares of LED Linear GmbH based in Neukirchen-Vluyn, Germany.

LED Linear GmbH manufactures linear LED lighting fixtures, LED modules and other lighting fixture components primarily for the commercial indoor and outdoor sector. The company has successfully established a global sales presence with more than half of net sales outside Europe, mainly in North America and Asia. In 2015 the company had 110 employees and sales of approximately 21 MEUR.

Fagerhult Group develops, manufactures and markets innovative and energy-efficient lighting solutions for professional indoor, retail and outdoor environments. The Group is one of Europe's leading lighting companies with 2,700 employees in more than 20 countries. With this acquisition Fagerhult Group strategically strengthens its position in the professional lighting market and adds leading complementary product ranges.

Johan Hjertonsson, CEO Fagerhult Group, especially emphasises LED Linear's world class linear LED lighting solutions, the cutting edge integrated manufacturing capability and award winning products and brand. He points out, that the company has consistently delivered very strong financial performance with an organic growth of over 40% in 2015 and honours the company's excellent track record of innovation. For LED Linear this transactions offers the opportunity to further grow the business within the group and under the LED Linear brand.

InterFinanz acted together with its Swedish Global M&A Partner Valentum as Fagerhult's exclusive M&A advisor in this transaction.
