

# Another successful transaction in IT services: Sales of globits to FERNAO Networks Holding

June 30<sup>th</sup>, 2017

Another successful transaction in IT services: InterFinanz advises the shareholders of globits GmbH on the sale of the shares to FERNAO Networks holding, a portfolio company of AUCTUS Capital Partners AG.

globits is a Berlin-based and nationwide operating company for solution integration in the field of IP communication and security technology. The founders and managing directors of globits, Dr. Andreas Barsch and Matthias Herrschuh, will continue to manage the company: the existing business potentials can be further developed with the support of the FERNAO Group. globits' customers will receive a tailor-made and regionally oriented service portfolio; the employees benefit from a highly exciting and future-oriented workplace. The customers of the FERNAO Group will profit from a comprehensive know-how of globits in the areas of IP communication (unified communication, telepresence), mobility (WLAN, BYOD), agile Data-Center (FlexPod, Metro Cluster, VDI) and security technology (video surveillance, access control, intrusion detection systems).

InterFinanz accompanied professionally the shareholders of globits GmbH as an exclusive M & A advisor and concluded the transaction successful.
