

Thyssen'sche Handelsgesellschaft acquires a majority stake in **Spiggle&Theis Medizintechnik**

November 2020

Thyssen'sche Handelsgesellschaft mbH (THG), a renowned German Family Office located in Muelheim an der Ruhr, acquires a majority stake in **Spiggle&Theis Medizintechnik GmbH** in Overath (www.spiggle-theis.com).

Spiggle&Theis was founded in 1994 and is specialized in the development, production and distribution of medical products for the ENT segment. With more than 3.500 products with a specific focus on the surgical segment, **Spiggle&Theis** delivers its products to clients in over 75 countries worldwide.

THG is a financially strong long-term investor with participations in Germany and abroad and is willing to support the company in its further worldwide expansion.

InterFinanz acted as exclusive M&A advisor for the founders and organized the total sale process.

[Official press release](#)

InterFinanz is a privately owned international advisory firm for the sale and purchase of companies and participations located in Duesseldorf, Germany. As a pioneer of the German M&A consulting industry InterFinanz is a specialist for family owned mid-cap transactions (20-500 Mio Euro). Since its foundation in 1958 InterFinanz advised more than 1.200 transactions.
